

* Door knob on left side version.

* Velcro attached version. (mating velcro with PSA also supplied)

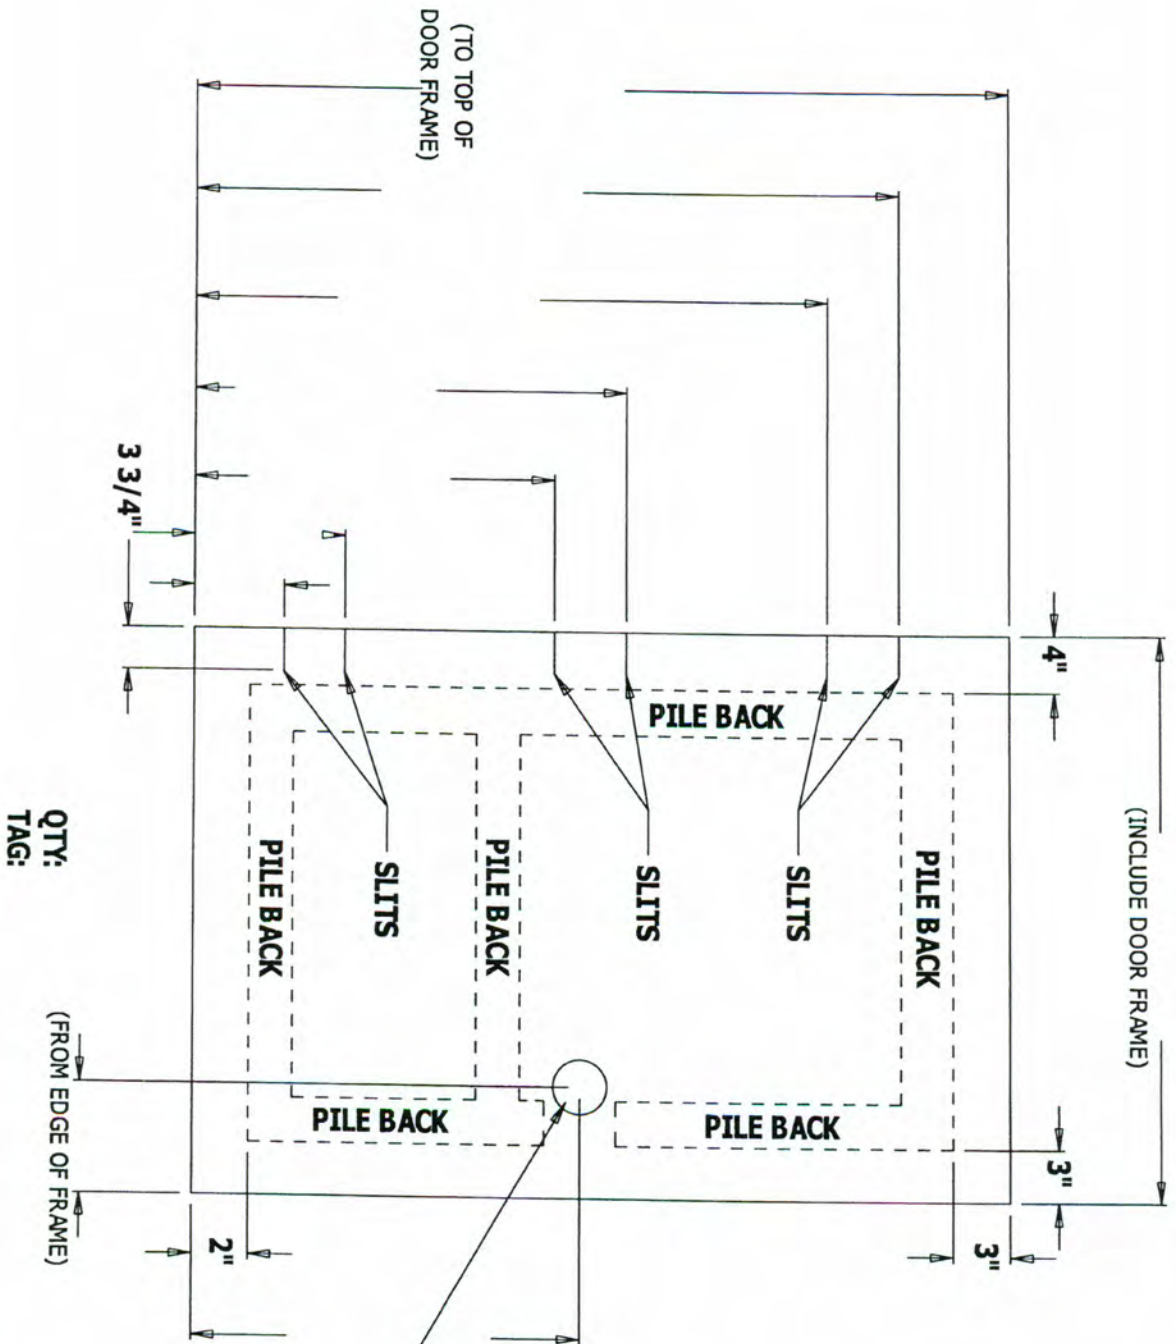

* May also be attached with grommets vs. velcro (for more permanent applications)

* Recommend panel be sized to cover hinges and frame (if panel on hinge side)

NOTES:

* Door knob on right side shown. Use knob on left side drawing when applicable.

* If panel is attached to hinge side, recommend that panel extends beyond door to cover door frame.

* If so, need "slits" at hinges. Slits should be 1" wider than hinge. (1/2" on each side)
