Dear Ms. Springer:

We have had great success with the products and service in which we have received from ALL NOISE CONTROL, and therefore it gives me great pleasure to send this letter of reference to you.

Over the past 2 years ALL NOISE CONTROL has custom manufactured acoustic panels for use aboard several of our naval vessels. The availability of the service and product has been right on schedule and the quality has been outstanding. The customers receiving these products have highly commended your service and efforts.

With the level of satisfaction I have experienced, I would highly recommend ALL NOISE CONTROL to anyone in need of the services and products that you provide.

Sincerely,
Michael Goodman
